Subject: RE: Chukchi NOI mtg with Shell - SAVE THE DATE

Please consider the October 9 technical meeting with Shell as confirmed. Below is a draft agenda from Shell.

(Kim, Dan, and Dianne, I am cc-ing you as an FYI.)

EPA NPDES Exploration General Permit Technical Meeting – NOIs, EMP, & Mudline Cellar Alternative Meeting Agenda

Introduction

- People / new roles and responsibilities
 1. Tracey Anderson – Project Lead
 2. Louis Brzuzy – Senior Science Advisor
 3. Lana Davis – Soil and Water Engineer
 4. Greg Horner – Offshore Regulatory Team Lead
 5. Heather Ptak – Environmental Compliance Team Lead
- 2015 Chukchi Sea Exploration Drilling Program

Notices of Intent (NOIs)

- Timing of submittal and number of NOIs
- Accounting for both drilling units

Environmental Monitoring Program (EMP)

- How the EMP is organized / submittal of one EMP for all locations – models for each drilling unit
- Models
- EMP Phases and Technical Challenges

Mudline Cellar (MLC) Remotely Operated Vehicle (ROV) System

- Technological Review & Responses to EPA's Questions
